

THE LEGEND

HOTEL AND APARTMENTS

Once upon a legend, as the story is told,
a magnificent phoenix unfurled her wings
and took flight to fulfill a quest. A quest to
discover a new home.

The phoenix would not stop, not even to
rest, not till she found this perfect home.

Her journey spanned many moons,
through distant lands while braving all kinds
of weather.

This mythical bird encountered places
that came close to her dream. But still she
was not satisfied. And so she flew on.

Until it happened that she saw from a
distance, a structure so fascinating she had to
descend for a better look.

Then at once she saw that her search had
finally come to an end.

Here before her, lay grand surroundings
of luxury and exceptional taste.

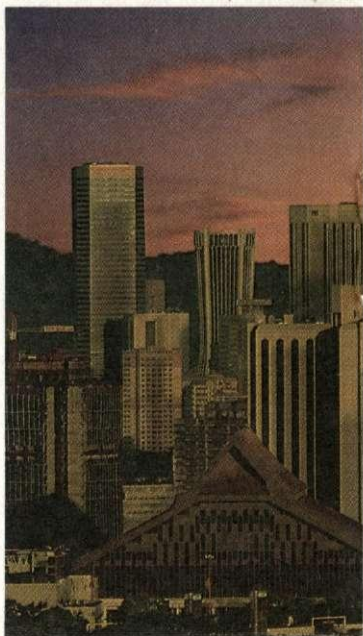

Enveloped in an aura of pure hospitality,
a sense of well-being quickly set in.

The phoenix had come home to roost
at last.
